

In 2008 Sedgwick Farm Tennis Club refinished all 9 red clay courts with beautiful red brick dressing and brand new white lines!

Come and see what everyone is talking about, the newly refurbished red brick clay courts at Sedgwick Farm Tennis Club. In 2008 each Court was Scarafied (this is the process of getting rid of weeds and rocks from each court) and then they were rolled, next 14 tons of top dressing of red brick dust was put down on all the courts. Brand new white lines were installed on each court and secured with aluminum nails!

Try the new Courts for yourself, and experience the new improved play! Come and enjoy the only true Red Clay Courts in the Syracuse and the Central New York area and be part of this great Historic tradition!
